Making Space

Derbyshire Dementia Support Service

Activity, Music, Information Groups Schedule

December 2016 – February 2017

Making Space will continue to facilitate the *Derbyshire Dementia Support Service* group sessions from December 2016 - end of February 2017 with the very least disruption possible. We have secured the same rooms and venues on the same days and same times of each month

Making Space will use this period of time to meet existing members in environments most familiar to them, where we will have the opportunity to become mutually acquainted, and also encourage and warmly welcome newcomers to join the sessions, whilst continuing the activities, information and music

An updated schedule for the groups beyond February 2017 will be made available mid February
